### **Not Renewing?**

If you do not wish to renew your subscription, may we thank you for your past support of *STAR*. It would be helpful if you would advise the Membership Secretary; if we have failed you in some way, would you please let us know? You may use the blank page for your response.

### **Vehicle Details/Photograph**

We continue to strive to keep our records as comprehensive and up-to-date as possible. This can only be done with your help. **Please** complete the appropriate section on this form, whatever condition your car is in and whether you think we already have your details or not. We would appreciate your cooperation on this as the vehicle details for some members are very sparse. We are also failing in our duty as a Register if your vehicle details are missing.

Please be assured that details supplied of your car are treated as confidential and are not published, except to generalise on numbers of cars.

The Club Archivist would like as many renewing members as possible to send in a photograph of their car to enhance the Register.

Many thanks.
