

SUNBEAM TALBOT ALPINE REGISTER LTD

ROOTES TALBOTS . SUNBEAM TALBOTS PRODUCED BETWEEN 1936-1957

Founded 1969

The Sunbeam Talbot Alpine Register is affiliated to the MSA (No. 1290), is an Associated Club of RAC Motoring Services and is a member of The Association of Rootes Car Clubs

The Sunbeam Talbot Alpine Register (STAR) was established in 1969 to encourage the use, restoration and preservation of the Rootes Group Talbot, Sunbeam Talbot and Sunbeam cars (Tens, 2/3/4 Litre models, 80s/90s Saloons and Coupes and Alpines) manufactured between 1936 and 1957.

STAR provides opportunities for members to exchange information and ideas and to assist in the location of spares. The magazine *STARDUST*, offers articles of topical and technical interest, photographs of member's cars and events, archive material and members advertisements.

A varied selection of social and competitive Club events are organised in the summer months on both a regional and a national basis and regular indoor meetings are arranged throughout the year. There is an excellent regional organisation for members throughout the British Isles and an ever-growing network of overseas members are kept in touch with regularly.

STAR is committed to the remanufacture of spare parts that are not available from other sources and has a Spares Fund for this purpose.
